1. I talked with Col. Carpenter, Counsel to the Senate Internal Security Subcommittee, in connection with his request that [redacted] appear as a witness. I explained to him that at the present time, in view of relationships with [redacted] we would consider it preferable if [redacted] did not appear publicly, and that perhaps the solution to the problem would be to have him appear in executive session. Col. Carpenter stated that they would be glad to give consideration to these problems, but in the meantime he thought it would be helpful if he could have a meeting with [redacted] and an appointment has been set for 10 o'clock on 18 October.
